SUGGESTION FOR A STUDENT IDENTIFICATION CARD

Some schools or groups may wish their students/group members to carry or wear identification cards when they are out on activities. Below is a suggestion for an Identification Card. Use of Identification Cards is at the discretion of the teacher/leader in charge of the group. These Identification Cards must not take the place of the Medical and Address Forms, which should be carried by the leader in charge, for all members of the group including adults on all activities undertaken whilst at Oxenwood.
